ONLY YOU (the flying pickets)

[Intro]

Badadadam, badadadam, badadadam, badadam

Badadadam, badadadam, badadadam, badadam

[Verse 1]

Looking from a window above is like a story of love, can you hear me?

Came back only yesterday, we're moving farther away, want you near me

[Chorus]

All I needed was the love you gave, all I needed for another day,

And all I ever knew - only you.

[Verse 2]

Sometimes when I think of her name, when it's only a game, and I need you

Listen to the words that you say, it's getting harder to stay, when I see you

[Chorus]

All I needed was the love you gave, all I needed for another day,

And all I ever knew - only you.

[Bridge]

Badam, Badam, badadadam, Badadadam badada Badadadam

Badam, Badam, badadadam, Badadadam badada Badadadam

[Chorus]

All I needed was the love you gave, all I needed for another day,

And all I ever knew - only you.

[Verse 3]

This is gonna take a long time and I wonder what's mine - can't take no more.

Wonder if you'll understand, it's just the touch of your hand behind a closed door.

[Chorus]

All I needed was the love you gave, all I needed for another day,

And all I ever knew - only you.

[Outro]

Badadadam, badadadam, badadadam, badadam

Badadadam, badadadam, badadadam, badadam

Love is all around – Wet Wet Wet

[Verse 1]
I feel it in my fingers
I feel it in my toes
The love thats all around me
And so the feeling grows

It's written on the wind
It's everywhere I go
So if you really love me
Come on and let it show, oh

[Chorus]
You know I love you, I always will
My mind's made up by the
Way that I feel
There's no beginning
There'll be no end
'Cause on my love you can depend

[Verse 2]
I see your face before me
As I lay on my bed
I kinda get to thinking
Of all the things you said

You gave your promise to me
And I gave mine to you
I need someone beside me
In everything I do

[Chorus]
You know I love you, I always will
My mind's made up by the
Way that I feel
There's no beginning
There'll be no end
'Cause on my love you can depend

[Outro]
Oh It's written in the wind
Oh everywhere I go, yeah, oh well
So if you really love me, love me, love me
Come on and let it show, oh

Come on and let it show,
Come on and let it show.

Riders on the storm – The Doors

Riders on the storm
Riders on the storm
Into this house we're born
Into this world we're thrown
Like a dog without a bone
An actor out on loan
Riders on the storm

There's a killer on the road
His brain is squirmin' like a toad
Take a long holiday
Let your children play
If you give this man a ride
Sweet family will die
Killer on the road.

Girl you gotta love your man
Girl you gotta love your man
Take him by the hand
Make him understand
The world on you depends
Our life will never end
Gotta love your man.

Riders on the storm
Riders on the storm
Into this house we're born
Into this world we're thrown
Like a dog without a bone
An actor out on loan
Riders on the storm

Riders on the storm
Riders on the storm

I kissed a girl – Katy Perry

(Wechselgesang)

[Refrain]
I kissed a girl, and I liked it.
(The) taste of her cherry chapstick.
I kissed a girl, Just to try it.
(I) hope my girl-friend don't mind it.

It felt so wrong, It felt so right.
Don't mean I'm in love to - night.

I kissed a girl, And I liked it.
I liked it

Friday I'm in love – The Cure

I don't care if Monday's blue
Tuesday's grey and Wednesday too
Thursday I don't care about you
It's Friday I'm in love

[Verse 2]
Monday you can fall apart
Tuesday Wednesday break my heart
Thursday doesn't even start
It's Friday I'm in love
Saturday wait
And Sunday always comes too late
But Friday never hesitate...

[Verse 3]
I don't care if Mondays black
Tuesday Wednesday heart attack
Thursday never looking back
It's Friday I'm in love

[Instrumental]

[Verse 4]
Monday you can hold your head
Tuesday Wednesday stay in bed
Or Thursday watch the walls instead
It's Friday I'm in love

[Verse 5]
Monday you can fall apart
Tuesday Wednesday break my heart
Thursday doesn't even start
It's Friday I'm in love
Saturday wait
And Sunday always comes too late
But Friday never hesitate...

[Ending Instrumental]

Chasing Cars – Snow Patrol

We'll do it all - Everything
On our own

We don't need - Anything
Or anyone

If I lay here - If I just lay here
Would you lie with me
and just forget the world?

I don't quite know - How to say
How I feel

Those three words - Are said too much
But not enough

If I lay here - If I just lay here
Would you lie with me
and just forget the world?

Forget what we're told
Before we get too old
Show me a garden that's bursting into life

Let's waste time - Chasing cars
Around our heads

I need your grace - To remind me
To find my own

If I lay here - If I just lay here
Would you lie with me
and just forget the world?

Forget what we're told
Before we get too old
Show me a garden that's bursting into life

All that I am - All that I ever was
Is here in your perfect eyes,
they're all I can see

I don't know where
Confused about how as well
Just know that these things will never
change for us at all

If I lay here - If I just lay here
Would you lie with me
and just forget the world?

Sailing (Gavin Sutherland)

I am sailing,
I am sailing,
Home again 'cross the sea
I am sailing
stormy waters
To be near you,
to be free

I am flying
I am flying
Like a bird 'cross the sky
I am flying,
passing high clouds
To be with you,
to be free

Can you hear me,
can you hear me –
Throu' the dark night,
far away
I am dying,
forever crying
To be with you,
who can say

[Instrumental]

We are sailing,
we are sailing –
Home again '
cross the sea
We are sailing
stormy waters
To be near you,
to be free

Imagine (John Lennon)

Imagine there's no heaven
It's easy if you try
No hell below us
Above us only sky
Imagine all the people
Living for today... Aha-ah...

Imagine there's no countries
It isn't hard to do
Nothing to kill or die for
And no religion, too
Imagine all the people
Living life in peace... You...

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will be as one

Imagine no possessions
I wonder if you can
No need for greed or hunger
A brotherhood of man
Imagine all the people
Sharing all the world... You...

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will live as one

You've Got A Friend

(Carol King / James Taylor)

When you're down and troubled
and you need a helping hand
And nothing, oh, nothing is going right
Close your eyes and think of me
and soon I will be there
To brighten up even your darkest nights

You just call out my name,
and you know wherever I am
I'll come running, to see you again
Winter, spring, summer, or fall
All you got to do is call
and I'll be there, yeah, yeah, yeah
You've got a friend

If the sky above you
should turn dark and full of clouds
And that old
north wind begins to blow
Keep your head together
and call my name out loud now
And Soon I'll be knocking at your door

You just call out my name,
and you know wherever I am
I'll come running, to see you again
Winter, spring, summer, or fall
All you got to do is call
and I'll be there, yeah, yeah, yeah

Hey, ain't it good to know
that you've got a friend?
When People can be so cold
They'll hurt you and desert you
They'll take your soul if you let them
But don't you - let them

You just call out my name,
and you know wherever I am
I'll come running, to see you again
Winter, spring, summer, or fall
All you got to do is call
and I'll be there, yeah, yeah, yeah
You've got a friend

You've got a friend
You've got a friend

Jolene – Dolly Parton

Jolene, Jolene, Jolene, Jolene
I'm begging of you
please don't take my man
Jolene, Jolene, Jolene, Jolene
Please don't take him just because you can

Your beauty is beyond compare
With flaming locks of auburn hair
With ivory skin and eyes of emerald green

Your smile is like a breath of spring
Your voice is soft like summer rain
And I cannot compete with you, Jolene

He talks about you in his sleep
There's nothing I can do to keep
From crying when he calls your name,
Jolene

And I can easily understand
How you could easily take my man
But you don't know what he means to me,
Jolene

Jolene, Jolene, Jolene, Jolene
I'm begging of you
please don't take my man
Jolene, Jolene, Jolene, Jolene
Please don't take him just because you can

You could have your choice of men
But I could never love again
He's the only one for me, Jolene

I had to have this talk with you
My happiness depends on you
And whatever you decide to do, Jolene

Jolene, Jolene, Jolene, Jolene
I'm begging of you
please don't take my man
Jolene, Jolene, Jolene, Jolene
Please don't take him even though you can

Jolene, Jolene

Wir bleiben laut

(Stadtrandpoeten)

Refrain:

Wir steh'n nicht still, wir bleiben laut,
wenn Macht nur Wände um uns baut.
Das bunte Stadtbild hier belegt,
dass Mensch sein über Grenzen steht!

Oho-ho ….

Hollywood Hills

Sunrise Avenue

Now this is not the time or the place
for a broken-hearted,
'cause this is the end of the rainbow
where no one can be too sad

No I don't wanna leave
but I must keep moving ahead
'cause my life belongs to the other side
behind the great ocean's waves

Bye bye, Hollywood Hills
I'm gonna miss you, where ever I go
I'm gonna come back to walk these streets again
Bye bye, Hollywood Hills forever

Thank you for the morning walks
on the sweet sunset
And for the hot night moments
For the fantasy in my bed

I take part of you with me now
and you won't get it back
and a part of me will stay here,
you can keep it forever, dear

Ooh-oohoo...

Bye bye, Hollywood Hills
I'm gonna miss you, where ever I go
I'm gonna come back
to walk these streets again
Remember that we had fun together

Bye bye, Rodeo Girls
I'm gonna love you, where ever I go
I'm gonna come back
so we can play together
Bye bye, Hollywood Hills forever

Long distance love doesn't work
All the miles in between getting lonely
No I don't wanna go
I don't wanna go

Bye bye, Hollywood Hills
I'm gonna miss you, where ever I go
I'm gonna come back
to walk these streets again
Remember that we had fun together

Bye bye, Rodeo Girls
I'm gonna love you, where ever I go
I'm gonna come back
so we can play together
Bye bye, Hollywood Hills forever

Hollywood Hills forever,
Hollywood Hills forever

Hert of gold – Neil Young

I wanna live
I wanna give
I've been a miner for a heart of gold
it's these expressions I never give
that keeps me searchin' for a heart of gold
and I'm gettin' old.

Keep me searchin' for a heart of gold
and I'm gettin' old.

I've been to Hollywood
I've been to Redwood
I'd cross the ocean for a heart of gold
I've been in my mind
it's such a fine line
that keeps me searchin' for a heart of gold
and I'm gettin' old.
Keeps me searchin' for a heart of gold
and I'm gettin' old.

Keep me searchin' for a heart of gold
you keep me searchin' and I'm growin' old
keep me searchin' for a heart of gold
I've been a miner for a heart of gold.

Hymn –Barclay James Harvest

Valley's deep and the mountains so high
if you wanna see god
you've got to move on the other side
you stand up there
with your head in the clouds
don't try to fly
you know you might not come down
don't try to fly near god
you might not come down

Jesus came down from heaven to earth
the people said it was a virgin birth
Jesus came down from heaven to earth
the people said it was a virgin birth
the people said it was - a virgin birth

he told great stories of the lord
and said he was the saviour of us all
he told great stories of the lord
and said he was the saviour of us all
and said he was the saviour - of us all

For this we killed him, nailed him up high
he rose again as if to ask us why
then he ascended into the sky
as if to say in god alone we soar
as if to say in god - alone we fly

Valley's deep and the mountains so high
if you wanna see god
you've got to move on the other side
you stand up there
with your head in the clouds
don't try to fly you know
you might not come down
don't try to fly near god
you might not come down

Dirty old town

I met my love by the gas works wall
Dreamed a dream by the old canal
Kissed my girl by the factory wall
Dirty old town
Dirty old town

Clouds a drifting across the moon
Cats a prowling on their beat
Spring's a girl from the streets at night
Dirty old town
Dirty old town

I'm going to make me a good sharp axe
Shining steel tempered in the fire
Will chop you down like an old dead tree
Dirty old town
Dirty old town

I met my love by the gas works wall
Dreamed a dream by the old canal
Kissed my girl by the factory wall
Dirty old town
Dirty old town

Dirty old town
Dirty old town
Dirty old town

Take Me Home, Country Roads

John Denver

Almost Heaven, West Virginia
Blue Ridge Mountains, Shenandoah River
Life is old there, older than the trees
Younger than the mountains,
blowing like a breeze

Country roads, take me home
To the place I belong
West Virginia, mountain momma
Take me home, country roads

All my memories gather 'round her
Miner's lady, stranger to blue water
Dark and dusty, painted on the sky
Misty taste of moonshine,
teardrops in my eye

Country roads, take me home
To the place I belong
West Virginia, mountain momma
Take me home, country roads

I hear her voice
in the morning hour, she calls me
The radio reminds me of my home far away
And driving down the road,
I get a feeling
that I should have been home yesterday,
yesterday

Country roads, take me home
To the place I belong
West Virginia, mountain momma
Take me home, country roads

Country roads, take me home
To the place I belong
West Virginia, mountain momma
Take me home, country roads

Take me home, (Down) country roads
Take me home, (Down) country roads
